

Steven R. Mayo

Appointed by: Speaker of the NC House

Industry: Logistics and Supply Chain Management

Term Expires: June 30, 2017

Steven R. Mayo is vice-president of North Carolina Manufacturing, Inc., an AS9100-certified precision machine shop serving the aerospace, baking, automotive industries from its location in Goldsboro, NC. Mr. Mayo began his career at a young age, working with his father in the family-owned business.

Mr. Mayo was appointed to the North Carolina Global TransPark Board of Directors in August 2013 by the Speaker of the NC House.

Mr. Mayo attended Wayne Community College where he completed the machining technology program. He later completed his machinist apprenticeship through the North Carolina Department of Labor.

Mr. Mayo is an associate member of the Society of Manufacturing Engineers. For over 20 years he has served on the industrial technologies advisory board at Wayne Community College. He is also actively involved with the Wayne County Development Alliance.

He and his wife, Tracy, live in Pikeville, NC with their daughter.
